SAFETY & MEDICAL FREQUENCY
2018/2019**

Call Sign Contact: **Garry Headridge** Number: **18-19/207**
 On Behalf of: **Scottish Motorsport Marshals Club**
 Registered Call Sign: **Auto Tartan/Auto Rack 16/Auto Saltire**
 Date of Issue: **2 July 2018 amended 4/10/18**

VALID UNTIL 31 MAY 2019

We are in receipt of your application to register for authorisation radios meeting the Office of Communications (Ofcom) Regulations and using the Motor Sports Association's Safety & Medical Frequencies of 81.575 MHz FM and 81.5375 MHz FM during 2018 & 2019.

We note your declaration made on your application form and are pleased to confirm that you are authorised to use the frequencies during 2018/2019 subject to those requirements being met, particularly that which requires event organisers to notify the use of the frequency in advance of the event and having to provide details of the users to the MSA Radio Co-ordinator.

Where special conditions are laid down for the use of the radios, they will be detailed below.

We have registered the call sign detailed above for your use, and opposite we have listed radios you submitted on your application form. **If there are any changes or additions to those listed, please return this authorisation along with a covering letter and appropriate fee.**

For and on behalf of Motor Sports Association

ANDREA RICHARDS
Executive Administrator

SPECIAL CONDITIONS APPLICABLE TO THIS LICENCE

1. The current Licence Number issued by the Ofcom is: 264333.
2. Note the conditions of the allocation of Call Sign.
3. Your call sign may be reallocated if you do not renew your Authorisation for a period of five years.
4. The MSA or its representative reserves the right to inspect radio equipment as detailed at any reasonable time.
5. The Radio Marshals Handbook is available to download from the MSA Website. It is the Responsibility of the club/Licence holder that all of their radio personnel are aware of this Handbook. Please note that this Radio Licence could be revoked if this procedure is not complied with.
